

Nebraska's premier skills competition for professional commercial vehicle technicians!

2017 SPONSORSHIP FORM

Thursday, July 13, 2017

Central Community College, Hastings Campus

Professional diesel technicians compete to be named Nebraska's SuperTech and earn a place at the American Trucking Associations / Technology & Maintenance Council's SuperTech Nationals Competition. Competitors take an online exam and the top 16 qualifiers (company and shop limitations) move to the finals—hands-on shop challenge monitored by trucking industry judges.

Demonstrate your commitment to retaining diesel technician talent in Nebraska! Invest and be recognized as a sponsor with your name on the on-site banner and post-event recognition in Nebraska Trucking communications.

All \$500 and Above Sponsors Receive: Logo on: event banner, t-shirts, ad/article announcing SuperTech winners in the *Nebraska Trucker*, one year on the SuperTech website, exposure to students in tech schools, and promoted at other Nebraska Trucking Association events. Sponsors will also be mentioned during the competition and at the awards banquet.

Award Sponsors Also Receive: In addition to the items above, this level of sponsors receives the opportunity to hand out the awards at the banquet.

General Competition Sponsorships: Receive everything at the \$500 level, only their name is mentioned, no logos.

- Banquet Sponsor: \$1,250** (1 available)
- Professional Tech Awards Sponsor: \$1,250** (1 available)
- Student Awards Sponsor: \$750** (1 available)
- Lunch Sponsor: \$750** (1 available)
- Banner Sponsor: \$750** (1 available)
- Skill Station Sponsor: \$500**
- General Competition: \$200**
