

# Let's take this one step at a time

## Step 1 - Register

(Done! See you're making progress already!)

## Step 2 - Make a walk plan

(Think about stuff like how many miles you want to walk, fun outings with other walkers, do I need new shoes, etc....)

## Step 3 - Gather donations

(There will be lots of walkers asking truck-related companies for money. Get creative and think about other companies & individuals also who might help) Collect cash, checks (written to Nebraska Trucking Foundation or use the QR code for credit cards

## LET'S MAKE A DIFFERENCE

By gathering pledges and walking with your friends in the trucking industry, you're benefiting others in the industry who might run into tough times like cancer, accidents and other family hardships.

## LET'S GET TOGETHER

It's been a rough year and Trucking Walks Across Nebraska gives us all a chance to go outdoors, get healthier and to network with our peers.

## LET'S DO IT!

We'd like company and individual donations to make this effort a success. Please take a moment to visit with your walker and talk about ways our industry can support families in crisis.

Walkers will receive a donation sheet and a goodie bag with an awesome T-Shirt. After May, we'll tally up our success and celebrate at the NTA Safety Summit in Grand Island June 18.
