Describe your organization - number of employees, type of business and the particular challenge or challenges the nominee helps you address.

Please answer the following questions to complete your nomination. You are encouraged to add testimonials, evaluations and performance metric that support this nomination (feel free to attach answers to this form).

1. How have the nominee's skills and talents been applied to the challenges you've faced? What has been the outcome?
2. What continuing education or professional development has the nominee pursued (if any)?
3. Does the nominee participate in a professional organization appropriate to his or her position?
4. Has the nominee earned any professional designations?
5. What civic or charitable activities has the nominee supported?
6. In what way is this nominee an asset to your business and an asset to the trucking industry?
