

Dispatcher of the Year

Submit by August 1

WHO IS ELIGIBLE? Employees of Nebraska Trucking Association members in good standing responsible for driver dispatch are eligible.

Nominee	Company	
Email	Phone	
Title	Years in this role	Years in industry

Why are you nominating them? Explain the qualities that make this nominee an exceptional dispatcher. How have they contributed to company and industry success? Please attach additional evaluations and testimonials (customer, driver, safety department) supporting this nomination.

May 1, 2022 through April 30, 2023

1. Turnover rate for drivers dispatched?
Turnover rate = number of drivers who quit divided by the average number of drivers
2. DOT recordable accident frequency rate for drivers dispatched?
Accident frequency rate = (number of accidents x 1,000,000) divided by total mileage
3. Percentage of hours-of-service violations for drivers dispatched?
HOS percentage = number of HOS violations divided by the total number of roadside and internal inspections
4. What was the percentage of unexcused late deliveries dispatched?
Late delivery percentage = unexcused late deliveries divided by the total number of deliveries
5. Average time a truck sits before they are dispatched, when a driver is available?
