WHO IS ELIGIBLE: Drivers employed by Nebraska Trucking Association members in good standing and owner-operators leased to NTA members in good standing

QUALIFICATIONS

- Must live and drive in Nebraska or be dispatched from a terminal located in Nebraska and drive a minimum of 10,000 miles annually on Nebraska public streets or highways.
- Must be continuously employed by or leased to the company for 12 months of the competition period-May 1 of last year to April 30 of this year.
- Must have driven 11 of the 12 months, allowing for 30 consecutive days off for medical or personal reasons.
- Must be completely accident-free for the period, including miles driven in their personal vehicle—no preventable or non-preventable accidents, whether on- or off-duty
- Must have clean motor vehicle records with no moving traffic citations. Submit a copy of the driver's current MVR with the nomination.

GETTING INTO THE CLUB

For first-year admission to the club, the driver must meet the qualifications listed here and have 36 months of continuous service with the same employer (work back from May 1 of this year). Drivers receive a patch and a certificate indicating membership.

STAYING IN THE CLUB

Drivers earn additional years of membership for each consecutive year of safe driving under compliance with these rules. Special 5-, 10-, 15-, 20-, 25-, and 30-year awards are presented along with membership certificates.

GETTING SUSPENDED FROM THE CLUB

If a club member has an accident or a moving violation within the 12-month period (May 1 to April 30), they will lose that particular year toward continuous years of membership. The driver will retain credit for the years earned prior to that reporting period.

LOSING CLUB MEMBERSHIP

A club member will lose their membership for three accidents or three moving violations in one reporting year. A club member who experiences two consecutive years of failing to meet the qualifications will lose their membership. In either case, the driver must complete 36 months of accident-free and moving violation-free driving to regain club membership.

ACCIDENTS THAT DO NOT COUNT AGAINST DRIVERS ARE:

- a. When the driver's vehicle was legally and properly parked.
- b. When the driver's vehicle was stopped in traffic in compliance with a traffic sign or signal or under the direction of a police officer.
- c. A deer strike.
